

Nathan Johnson by Eric Douglas

age: 23

residence: New York City, New York, US

education: Online College Student

occupation: Cab Driver/ Student

marital status: Single with 1 kid

"Life is hard but managing the time in your life is harder"

Wakes up himself and his son, gets ready with son, walk his son to school, then walks to work, works most of day, goes home does some school work, picks up kid from school, feeds him, goes back home, does some school work while watching son, spends time with son getting him ready for bed, puts son to sleep, does more school work, then goes to sleep himself, then repeat.

Comfort With Technology

Needs

- Sleep
- Money
- Time

Values

- His son
- School
- Job

Criteria For Success:

Being able to support his son with out doubting being able too. Also staying away from the streets and not going back to selling drugs like he used too. Graduating college getting his degree and moving out of New York City. Get a good job and live a happy life with his son.

Wants

- Some free time to himself
- To be rich
- Move out of New York

Fears

- Not be able to support his son
- Getting caught up in the streets like he was before his son was born

Dante Anivesto, by Travis Doran
